

# Quiz: Varieties of Determinism

1

*Directions:* Match the definitions in *Column 2* with the most appropriate concepts in *Column 1* by placing the most appropriate number in the blank space provided.

*Column 1*

\_\_\_\_\_ hard determinism

\_\_\_\_\_ soft determinism

\_\_\_\_\_ free will

\_\_\_\_\_ predeterminism

\_\_\_\_\_ fatalism

\_\_\_\_\_ predestination

\_\_\_\_\_ indeterminism

\_\_\_\_\_ chance

*Column 2*

1. Some events are not determined by past events, and some events might be caused.

2. Some of our choices are uncaused and effective.

3. Some specific events are fixed in advance; there might be some free play in minor events.

4. Each event (including each mental event) has a cause.

5. Events from the beginning of time have been causally created by God.

6. Our ideas are free; events in the world are caused.

7. The probability of an event occurring is by probability theory.

8. All events are made to happen by God: none by causality in nature.
